Product Description

eXmark Commercial 30" V-Series Self Propelled Mower

With the same fabricated, welded, and reinforced high-strength steel cutting deck as our gas-powered Commercial 30 models, our battery-powered Commercial 30 V-Series also has the same wheels, height-of-cut system, and wear-reducing bumpers and wear bars. The result is the quietest, most productive commercial walk-behind mower available from Exmark. The reduced sound output lets you mow during times you used to avoid, while the fabricated Exmark cutting deck delivers the cut quality you rely on. When you're looking for the next generation of electric mowers, look no further. The Commercial 30 V-Series is ready to go whenever you are
